

Back To School Donation Drive For Montgomery County Women's Shelter

PLEASE BRING ITEMS THIS SUNDAY, August 4th AS THEY WILL BE DONATED MONDAY MORNING !!!

When a survivor of domestic violence comes to the shelter, it's because her life is in danger. Often because of circumstances that are beyond her control, she and her children walk through our doors with very few personal belongings. During their stay here, we provide all the essentials she and her children need until she can provide these items for herself and her family. Those essentials include backpacks and school supplies. This month we have a donation drive underway to collect enough of them to meet the needs of children at the shelter and those served by our transitional housing, counseling and legal programs

Your donations will help children and teens impacted by domestic violence return to school prepared and equipped to learn with the reassurance that even today, a fresh start can lead to success for the children of domestic violence survivors.

Please donate general school supplies - pencils, markers, pens, paper, folders, binders, etc. For a complete list of items, [click here](#).
